

From: Courtney Kramer  
 Executive Director, Beautiful Downtown Lewiston

To: TD&H Engineering

**Summary:**

Well preserved vault. Loss of prismatic glass and sidewalk access detrimental to the vault's historic integrity. A more in-depth history of this vault would explain the space's unusual layout and function. Presence of specialized building materials, like the big metal tub, speaks to the function this vault played in a business in the space.

**Property Address:** 832 Main Street

**Determination of Historic Significance:** High historic significance

<b>Historic Significance</b>		
	Determination	Comments
Is the building listed or eligible for listing on the National Register of Historic Places?	Yes
