

Project begins at Avista pole# 215375 at the intersection of F ST. and 5<sup>th</sup> st in Lewiston ID.. Then proceeds East on the South side F ST. 95 feet to Avista pole# 134519. Then cable is dropped to the building on the North side of F street addressed 504 Main street.

**CONTACTS:**  
 AVISTA: KRISTIN NELSON – 509-495-2548  
 CENTURY LINK: Rick Harms – 509-235-3349  
 CABLE ONE: TOM DONOHUE – 208-791-5032  
 X O COMM. : STEVE STYERN – 509-444-8547

**A copy of this document and attachments must be provided to the crew installing the cable and hardware along with accompanying audit noting additional requirements. This paperwork must be in possession of the crew doing the work and made available to any Avista employee on demand. Applicant shall obtain, from public authorities and private owners of real property any and all permits or easements required for lawful exercise of the permission granted by this approved application. Applicant shall defend Avista from all claims and injuries, as to the applicants right to be on Avista facilities. This route application is approved based on noted conditions. All Make Ready (MR) costs shall be at the requestors expense unless stated otherwise. Any field changes to the design must be noted by your construction foreman on an asbuilt drawing and sent to Avista Joint Use Dept no later than two weeks after construction is complete.**

**Signed copies of the Avista Make Ready cost approval and the joint use make ready signoff sheets must be submitted to Avista Joint Use Department prior to construction. All make ready work needed to ensure attachment of new facilities at the heights called out in this document must be completed prior to construction of new attachments.**
