

APPENDIX J:

Transportation Capital Improvement Plan (CIP)

Appendix J contains the current Transportation CIP project list, prioritized and ranked using the PPC as described in **Chapter 5** of the Transportation Plan and **Appendix I**. This appendix will be revised annually with the updated Transportation CIP, with opportunities for public input as outlined in **Chapter 2** and defined in **Appendix D** (PPG).

The projects are sorted in the order of their rank, with 1 serving as the highest rank and so on. The following items are provided for each project:

- CIP ID
- Project Type(s)
- Location
- Bounds
- Description
- Planning-level cost estimate
- Rank
